Chapter 1

The Group

One day in Mme Lavignaire's Academy for Lovely Ladies in dormitory 2 room 139 a sound was heard. Mme Lavignaire rushed in and said

“Girls it's past lights out, you need your beauty rest. Get some sleep and tomorrow Girls I will see you in my office at 8 o'clock sharp and we will discuss that awful noise! What was that commotion in my school!”

“But Mme Lavignaire it was only a” said Laura

“Don't interrupt me” said Mme Lavignaire as she walked out.

Cassie Smith and her best friend/roommate Laura Green are the most mischievous girls in the school!

As Mme Lavignaire walked away Laura started to panic, even if she was one of the most mischievous. It was only because she followed Cassie's instructions! Just at that moment the two other members of The Group came out from under the bed

"sorry about the bell," said Cassie.

"It's okay," said Claire.

"Is the coast clear," asked Margaret?

"Of course said Cassie if it wasn't i would have kicked you under the bed!"

"Well that's not very nice" said Margaret

"Well that's not the point" said Cassie "you know the reason for the group is to protect the school, right? So this meeting was called 'cause I heard Mme Lavignaire on the phone and she said that she understood and that it would be best to close down the school!"

“WHAT!” yelled Laura,

“I said” said Cassie, “that”

“I KNOW WHAT YOU
SAID BUT WHAT!”

yelled Laura, “but how can she do this to
us!?!?”

Meanwhile at the school board meeting
building Miss Kaitlyn.R.Ruth & Mr.Jake
Laurent were making a decision on whether
to close Mme Lavignaire’s academy for
lovely ladies or not ...

“We are going to stop this from happening,” said Cassie. I want lots of ideas by next meeting kay’ guys?

”Okay” chorused three unenthusiastic girls voices.

“But Cassie,” said Laura, “how are we gonna stop the board from doing this? Tell them I love my school and that’s that?”

“Well...” said Cassie, “that's genius we'll send them a letter telling them how much we love our school! What do you guys think?”

“Cassie you’re crazy, no way this will work!” said Laura .

“I have my ways!” said Cassie “we can do this guys, go The Group!”

Chapter 2

Dudiea

At 7:30am sharp Laura Green woke up and started shaking Cassie.

“Cassie Cassie wake up” she said

“Wake up! In thirty minutes we have to meet Mme Lavignaire” said Laura

“Okay okay dudiea” she said

“What i’m not dudiea”

“Sorry i guess i was still in my dream” she said getting up.

“Well get out of your dream cause i don’t think Mme Lavignaire wants to be called dudiea or anything else that weird” said Laura

“Listen, we have to be there soon or she’ll cut off our heads”

“I know I know but should I wear the blue broach or the red broach with my uniform?”

“I don’t care about broaches but i do care about getting in trouble!”said Laura

“Oh stop worrying it’s gonna all be fine!”
said Cassie

“Let’s go” said Laura

(As they we’re starting to head to the office)

“Well it sure is cold out”said Laura

“Good Morning Mme Lavignaire” chorused
the girl’s voices

“Will you girls explain what happened last night in your words” said Mme Lavignaire

“Well...” said Cassie

“Would believe me if i said a Dudiea attacked us?” said Cassie

(Laura giggled a bit)

“No, I want the truth my darlings, did someone hurt you?” said Mme Lavignaire

“Well then we were having a meeting or a gathering *per se* with our friends and”

“With which girls, Cassie?” said Mme Lavignaire

“Well...Claire and Margaret but please don't punish them, they will kill us” said Laura white as a ghost

“Consider this a warning alright girls?”

“Yes Mme Lavignaire” they said

“Dismissed now, off to classes have a good day”

“Cassie” said Laura

“Yes”

“We're done with The Group understand?”

“Of course we are”

“Good”

“Now we’re Group The 2nd, understand?”

“Mme Lavignaire said no more of this activity that we’re doing for the group except she has no clue exactly what the group is so Cassie changed it that instead” said Laura

“Oh” said Margaret “Big surprise”

“Guys what are we gonna do about it?” said Cassie

“Nothing” chorused the others

“For Mme Lavignaire” they cheered

“My sandwich needs more jam” commented Margaret!

“This is serious who cares about jam” said Cassie

“Me” said Margaret

Chapter 4

Survey

“Well” said Cassie “We can do a survey and ask all 400 students if they want Mme Lavignaire to stay or go”

“That's a crazy idea crazy enough that it just might work” said Laura

“Well better start asking” said Cassie with a gleam in her eye

“FIRST we sleep” said Laura “tomorrow we ask”

“Okay” said Cassie “fine” she said gazing off in the distance half asleep

The next morning Cassie woke up and she woke up Laura

“Laura today is weekend we don't have classes we need lots of signatures for our petition” said Cassie

“Fine fine but first breakfast” said Laura as she opened the dormitory door

“Fine” said Cassie running in front of Laura to the cafeteria

“No running girls” said Laura imitating Mme Lavignaire

As Cassie and Laura got there oatmeal and peaches they saw Claire and Margaret waving at them!

“Hey” yelled Margaret

“Come sit with us” yelled Claire

Getting there meal and sitting down

Meanwhile Kaitlyn.R.Ruth had decided that she would hire Miss Scarlett cause she didn't trust that Lavignaire lady

“Well” said Cassie “We have a plan we’re gonna do survey and see who wants to have that lame new headmistress and who wants Mme Lavignaire”

“Well that’s an awesome idea!” said Claire quickly before she ate a bite of oatmeal

“I’m in, as long as we don’t get in trouble” said Margaret

“In for what” said a voice

“Oh nothing Kaitlyn” chorused the girls

“Well I overheard your conversation” said Kaitlyn “Could i help?”

“Yeah for sure” said Cassie “The more the merrier!”

“Great” said Kaitlyn “I’ve always wanted to be part of the group!”

Chapter 6

Mme Scarlett

As Laura and Cassie found their seats in the auditorium a woman came up and said:

“Hello girls do you know where Mme lavignaire your old headmistress is?”

Cassie looked at the lady she wore a long skirt that went to her ankles that was light gray and flowy and she wore a gray tank top that was a dark shade. She also wore a pair of black sandals and a pair of dark black earrings that were three dangling circles. “You how dare you she is our

headmistress and”Laura muffled her and said “Well what she means is Mme lavignaire is behind the curtain i think” But as she said it they could hear Cassie’s muffled yelling and insults!

“Thank you little darlings!”said the lady Then finally Laura let go of Cassie’s mouth “Ugh...”said Cassie “Is that our new headmistress?”

“I think so”said Laura

They looked very gloomy.

Then the headmistress went on stage and said “Girls i have worked here many many years.I think all good things must end so i present you our new headmistress...”

All the girls looked as gloomy as the rainy clouds outside.Then Mme Lavignaire handed the lady that Laura and Cassie had seen the microphone.

“Well hello girls” said the lady “My name is Mme Scarlett and i hope we will have fun together!First of all the school's new name is Mme Scarlett’s boarding school for little darlings!”

As Mme Scarlett talked on and on Laura and Cassie left the room and went to the bathroom.

“Well so much for our signatures”said Laura
“We won’t give up, we're gonna get rid of Miss Scarlett!”said Cassie

“What are we gonna do?”said Laura

“We should go fake goodbye to Mme

Lavignaire.”said Cassie “Follow my lead”

“Last time I followed your lead I was stuck

Cleaning our meditation room!”said Laura

“Oh common Laura!”

“Fine!”
